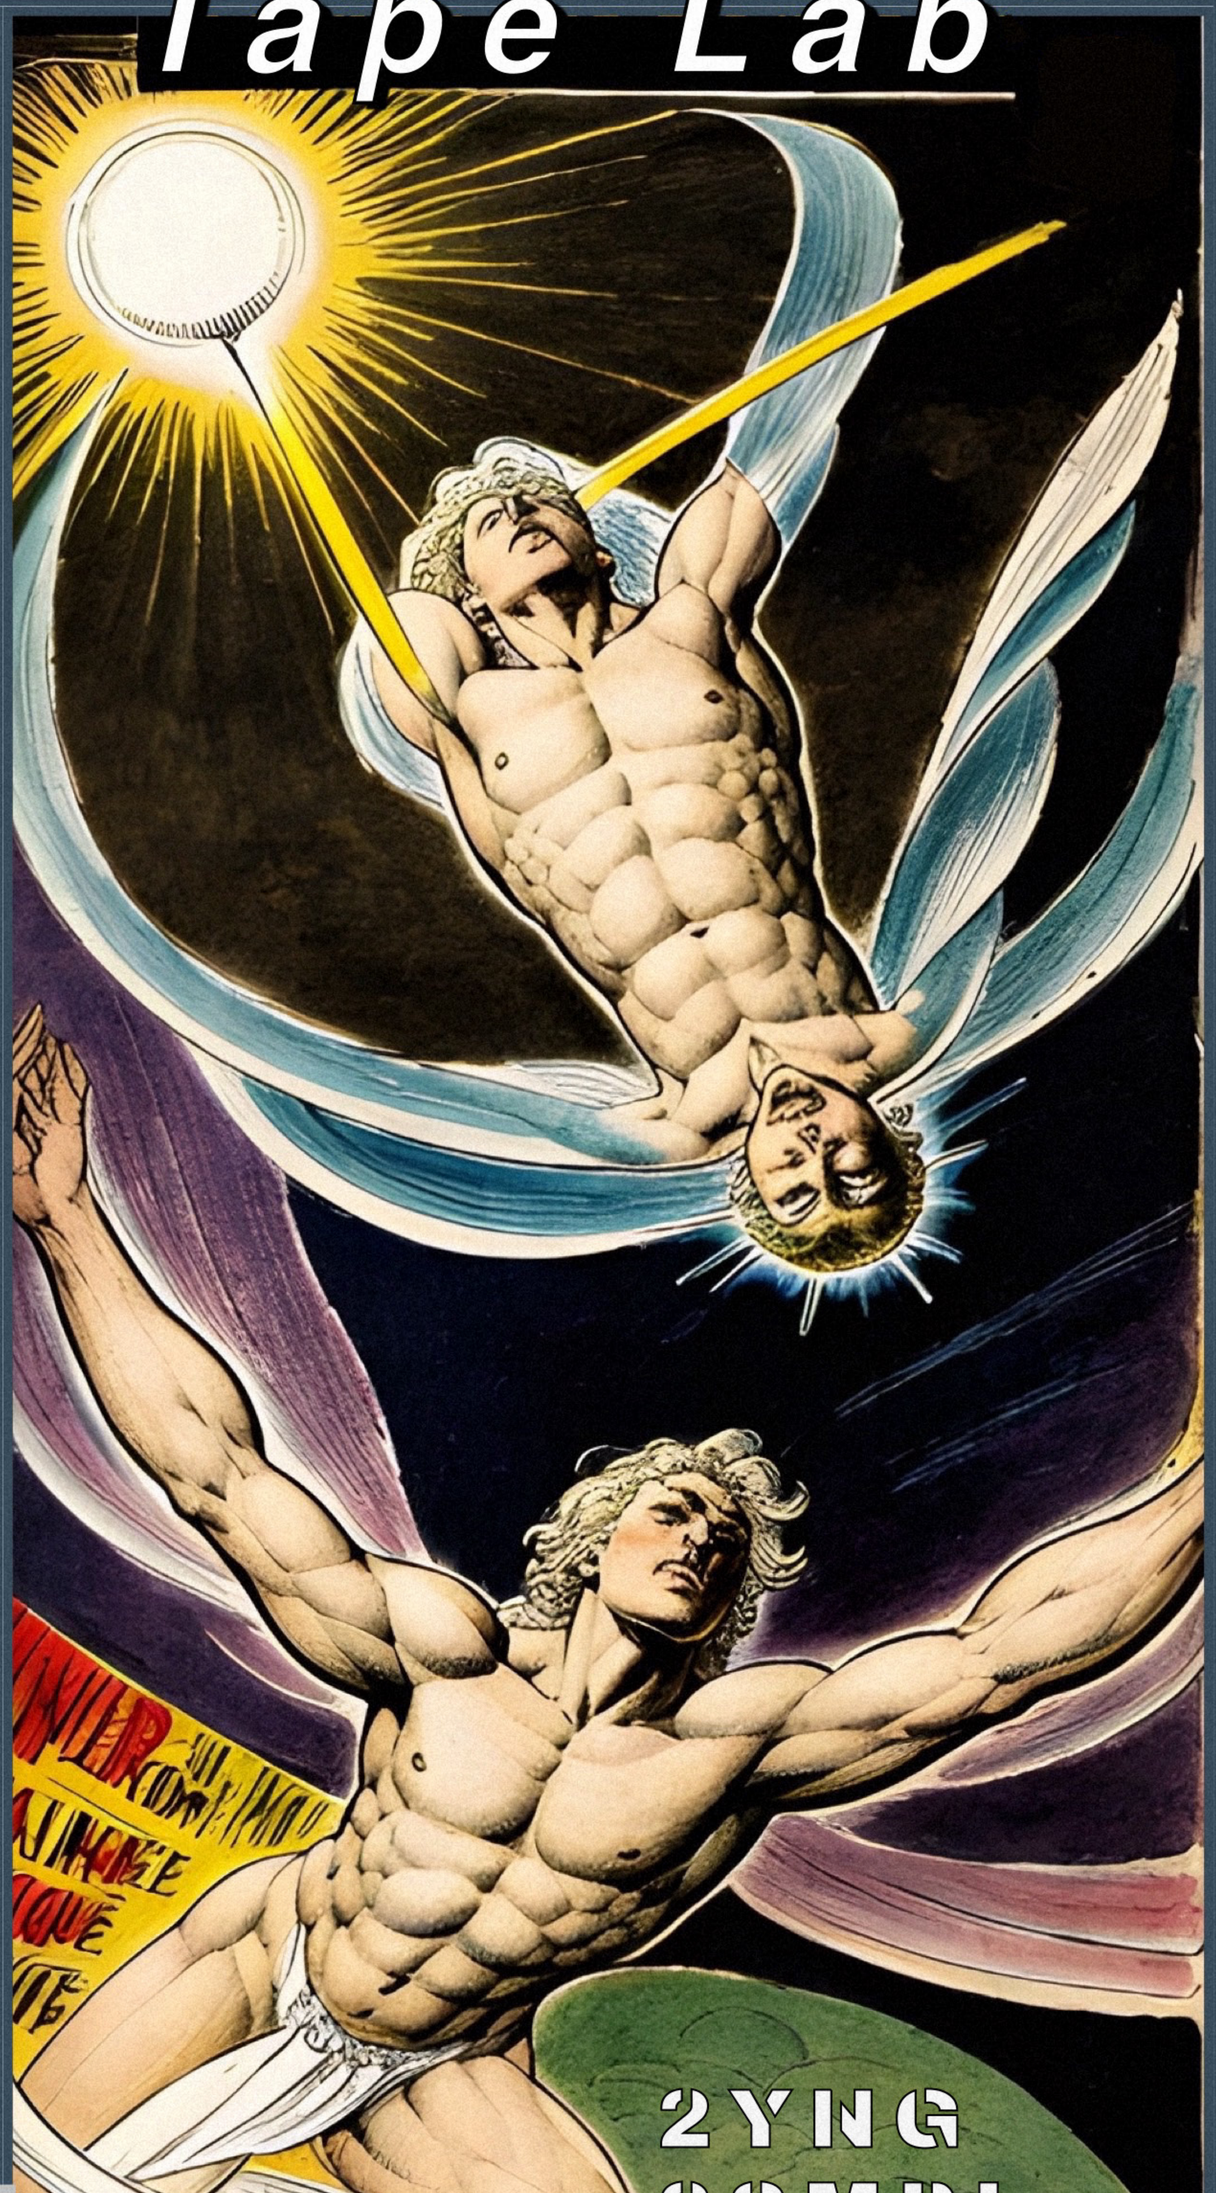
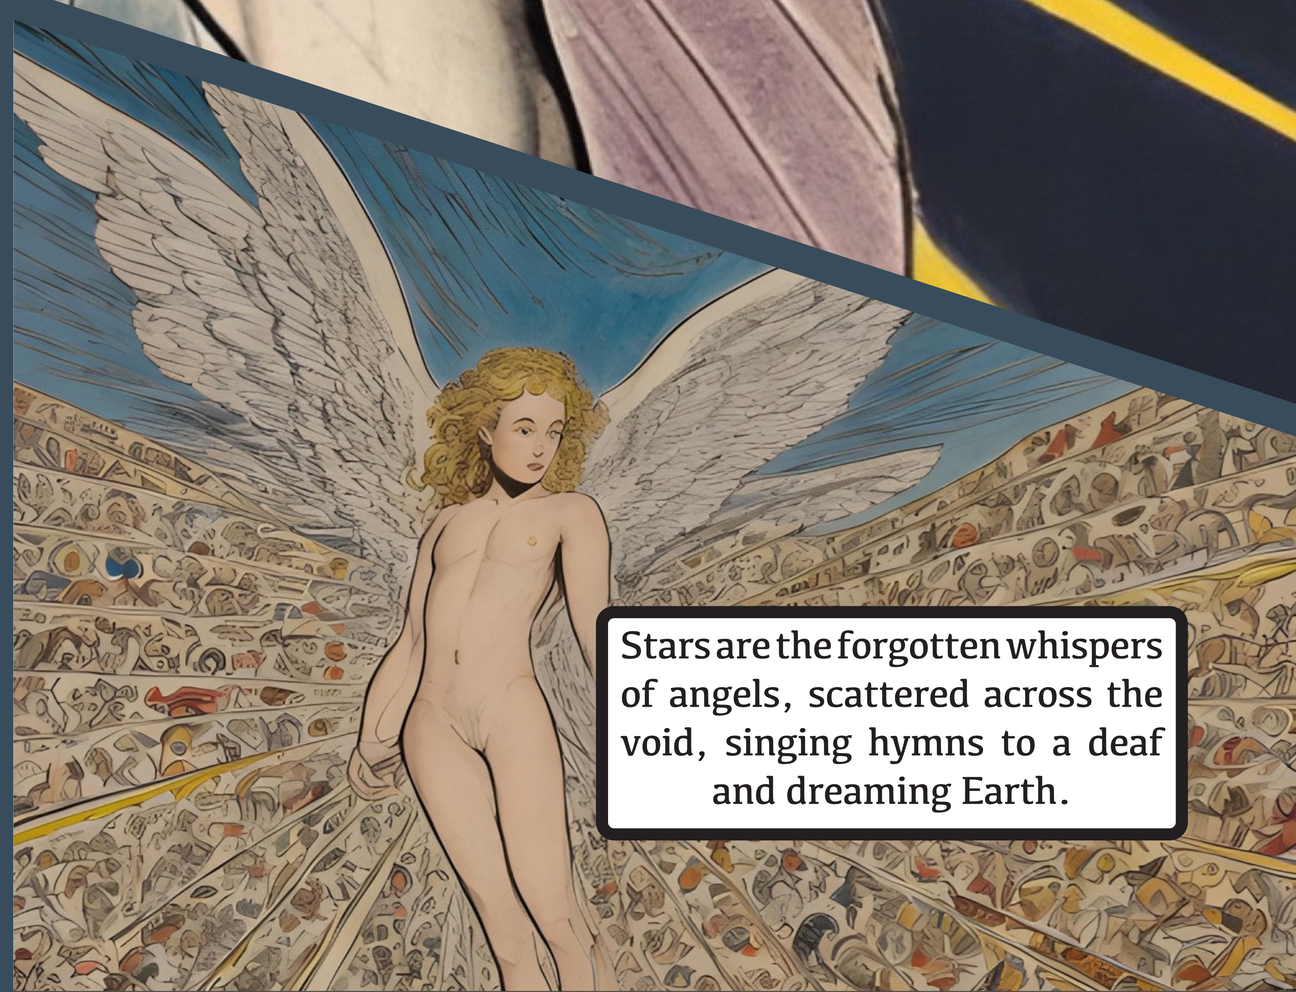
Not enough people are saying this



2YNG
2SMPL

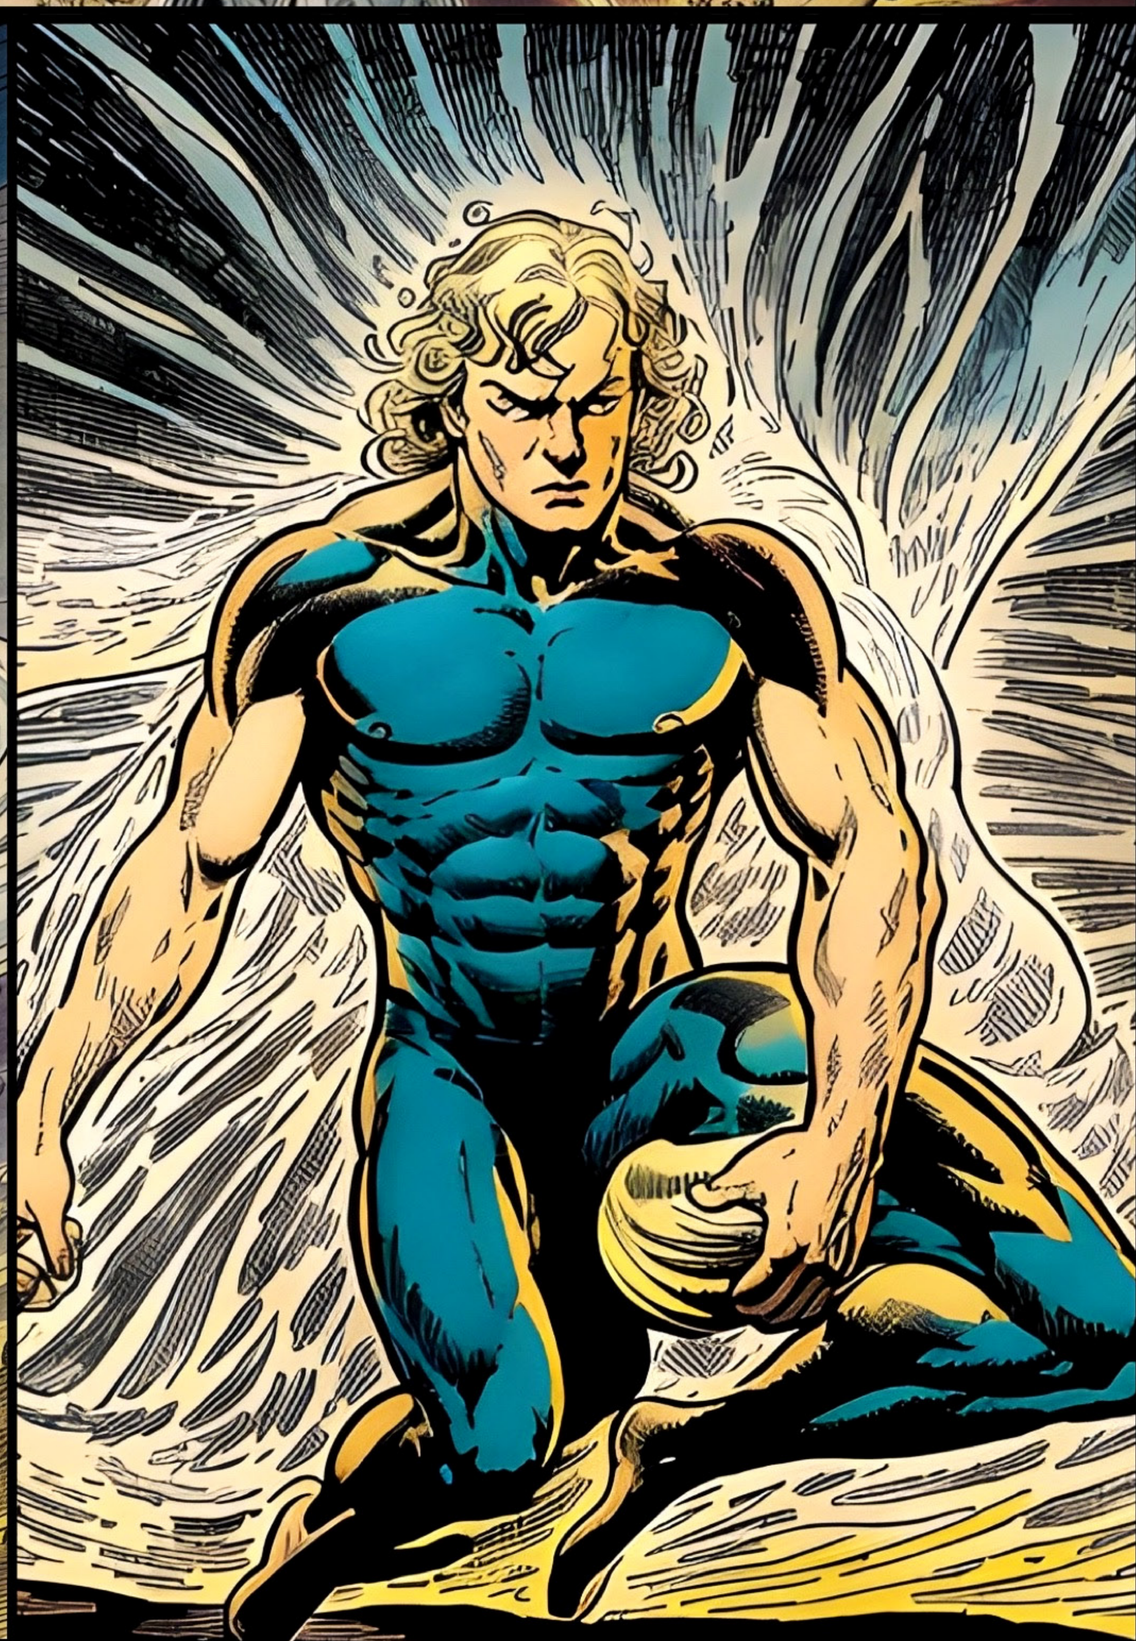
The serpent of wisdom entwines the tree of life, offering both the fruit of liberation and the seed of despair.

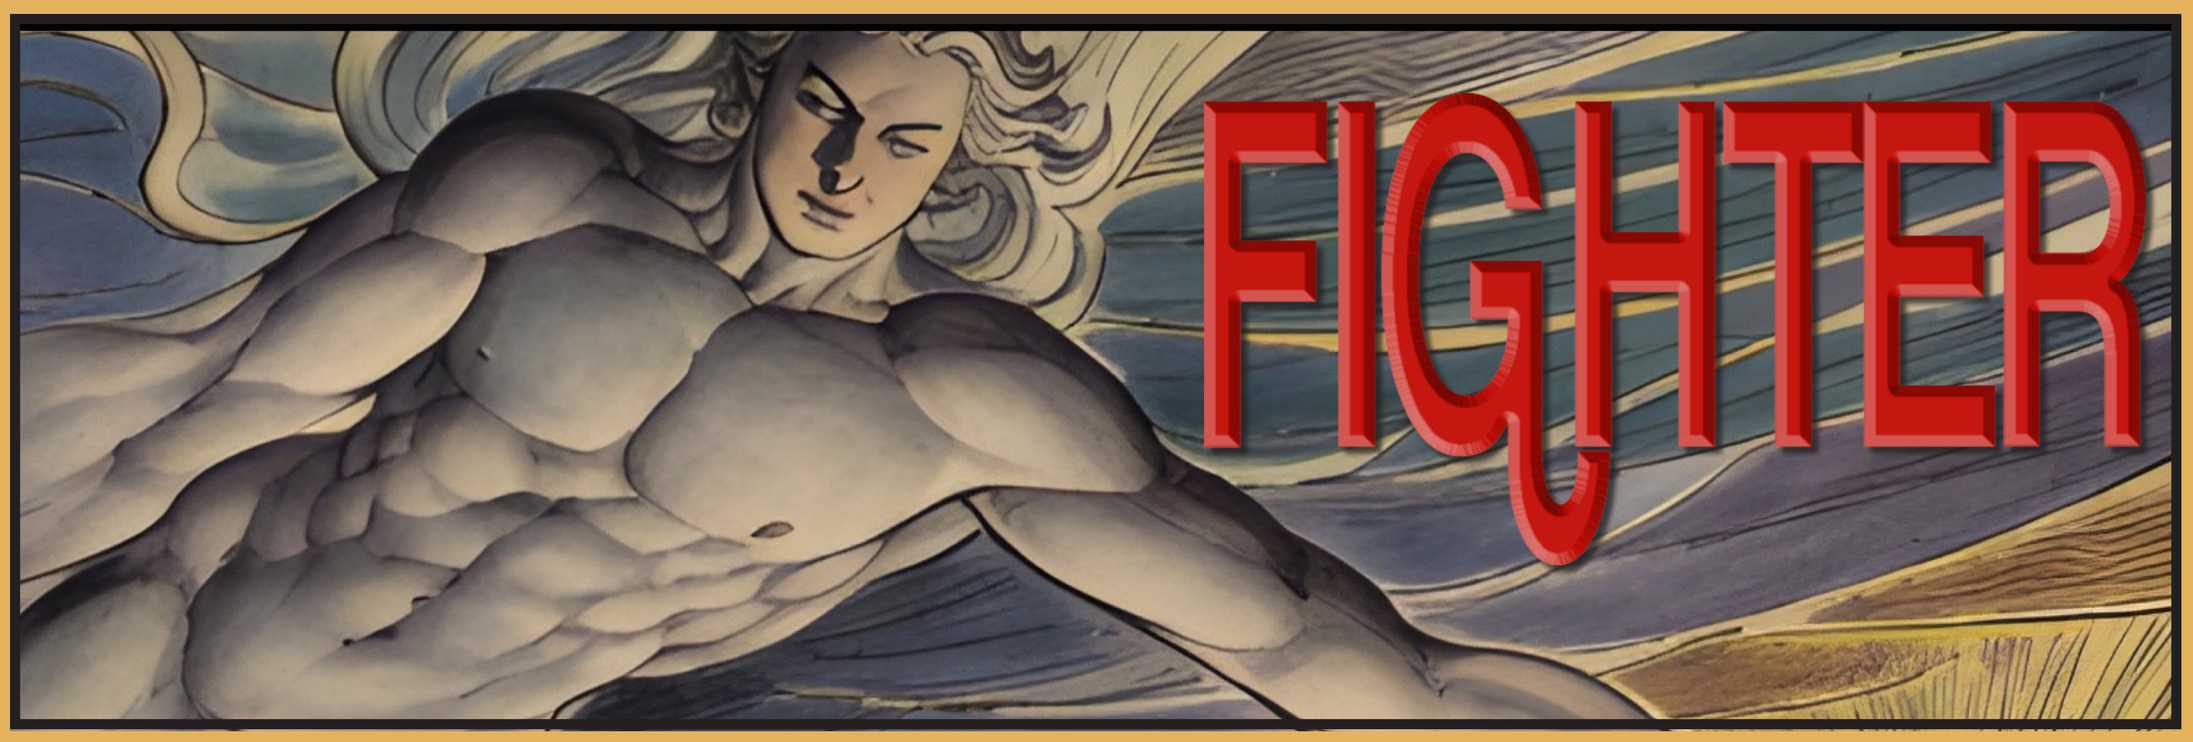
To behold the world in its fullness is to drink the cup of both glory and ruin, for joy and sorrow are but two faces of the eternal visage.



Stars are the forgotten whispers of angels, scattered across the void, singing hymns to a deaf and dreaming Earth.

BLAIKE





TAPE LAB

The heavens quake with the silent roar of eternity, for the infinite is but the breath of the divine made visible. Man's soul, a lantern of fleeting light, casts shadows on the walls of creation, yet knows not the fire that fuels its glow.
